30% Chapter tests (3)

My Chapter Tests: K6-8 _____% K9 _____% K10 _____%

10% Quia+

My Quia Scores: K9 _____% K10 _____% K11 _____%

10% Other homework and short quizzes++

20% Final exam

* You may miss **two** classes without penalty. Each additional absence lowers this portion of your grade one notch (e.g., A- to B+). Three late arrivals of more than five minutes will count as one absence. Fifteen or more absences constitute an automatic failure of the course. Please note that ***preparation*** and ***quality of participation*** count! Speaking English during class is strongly discouraged, and will lower your participation grade. Please do not eat or text *at all* during class time. Students who use electronic devices will be marked absent and receive a zero credit for all work that day (e.g. quizzes, tests).

+ Quia assignments are due on the due dates indicated online. **NOTE: Quia for each chapter must be completed by midnight of the class day before that chapter's test.**

++ Unless the instructor announces otherwise, homework must be **typed** and **double-spaced**. All homework assignments are due **<u>at the beginning of class</u>**. If you are having computer/printer trouble, you may turn in your late assignment for 50% credit to the box outside your instructor's office door by 2 p.m. on the due date. If you miss a class, it is ***<u>your</u>*** responsibility to make sure you get all make-up work from your instructor and turn it in by the due date for credit.

The final must be taken at the designated time. Personal travel plans and work conflicts will not be considered valid reasons for rescheduling the final exam. If you have a serious problem (medical, personal), or a conflict with another language exam, please see me.

☞ ***Sorry, no credit will be given for late homework or Quia***
(unless you have a medical or other valid excuse)
