- Policy
  1. For classroom participation, students will be given a daily grade, which range from 0-3. This daily grade will be based on the learner’s performance of that day’s lesson as well as their preparation.
     0: the student is absent.
     1: the student is late by 10 minutes or leaves early.
        the student is absent with previous notice to the instructor.
        the student is present in body only and shows no preparation.
2: the student is able to do drills, activities with some ease and shows evidence of some preparation.
3: the student performs with very minor mistakes and shows evidence of thorough preparation.

2. Lesson test (LT) will be given at the end of each lesson.
3. Homework (HW) will be assigned for each lesson. HW is the grammar part of each lesson from Workbook Intermediate 1 (WB). You can find WB answers on LAULIMA. First, do WB by yourself. Second, correct mistakes in RED pen. Third, submit the corrected version with LT. Late HW will be accepted only if the student brings little snack to share with classmates.

4. Students will be given one vocabulary quiz for each lesson on the first day starting a new lesson. Memorize new vocabulary list from Integrated Korean Intermediate 1 in advance.

5. Make-up and attendance policy
   - There will be NO make-up quiz, exam, presentation.
   - If you plan to be out of town, you may make a request to take the quiz or turn in homework earlier if the instructor is able to make arrangements outside of class.
   - After 6 unexcused absences, the final course grade will be dropped a full letter grade.
   - Tardiness of more than 10 minutes will be counted as an unexcused absence, unless provided by official proof.

6. The medium of instruction will be only in Korean. You need cooperation to survive. Students also must use Korean as much as they can throughout the course.

7. KOR201 class is very group-oriented. You will be given many group works. Especially, find out the best members for your midterm-oral-test and final-project from the beginning of the semester. Exchange contact numbers each other for any emergency. Update everything from your group members if you come late or are absent.

8. The main goal of this course is to enhance the learners' interlanguage as well as their ability to function successfully in Korean situations. In order to achieve these goals successfully, the learners are expected to fulfill their responsibilities.
