## Grading (using the plus and minus system)

**30%** Attendance, preparation, participation\* (insert dates below)

My Absences: \_\_\_\_/\_\_\_\_, \_\_\_\_/\_\_\_\_, \_\_\_\_/\_\_\_\_, \_\_\_\_/\_\_\_\_, \_\_\_\_/\_\_\_\_

**30%** Chapter tests (3)

My Chapter Tests: K9-11 \_\_\_\_% K12 \_\_\_\_% K13 \_\_\_\_%

**10%** Quia+

My Quia Scores: K12 \_\_\_\_% K13 \_\_\_\_% K14 \_\_\_\_%

**10%** Other homework and short quizzes++

**20%** Final exam

\* You may miss **two** classes without penalty. Each additional absence lowers this portion of your grade one notch (e.g., A- to B+). Three late arrivals of more than five minutes will count as one absence. Fifteen or more absences constitute an automatic failure of the course. Please note that **preparation** and **quality of participation** count! Speaking English during class is strongly discouraged, and will lower your participation grade. Please do not eat or text *at all* during class time. Students who use electronic devices will be marked absent and receive a zero credit for all work that day (e.g. quizzes, tests).

+ Quia assignments are due on the due dates indicated online. **NOTE: Quia for each chapter must be completed by midnight of the class day before that chapter's test.**

++ Unless the instructor announces otherwise, homework must be **typed** and **double-spaced**. All homework assignments are due **at the beginning of class**. If you are having computer/printer trouble, you may turn in your late assignment for 50% credit to the box outside your instructor's office door by 2 p.m. on the due date. If you miss a class, it is **your** responsibility to make sure you get all make-up work from your instructor and turn it in by the due date for credit.

# **The final must be taken at the designated time.** Personal travel plans and work conflicts will not be considered valid reasons for rescheduling the final exam. If you have a serious problem (medical, personal), or a conflict with another language exam, please see me.

*Sorry, no credit will be given for late homework or Quia  
(unless you have a medical or other valid excuse)*
